

Under The Sea - see how many tasks you can complete from the grid.

Fins or Legs

Some animals in the ocean have fins and some have legs. Can you draw pictures of these animals and sort into the correct group.

Creative

Decorate and colour a fish thinking about what colours to use and how big/small the scales will be.

Cutting Skills

Cut out the sea creatures using scissors very carefully

Reading

Listen to the story of 'Snail and the Whale' by Julia Donaldson.

A Magic Shell

Imagine you have found a magic shell. Draw a picture of it and think about what your wish you be! Can you write a sentence about it?

Science Experiment

Can you make the egg float in the water?

I spy

Play a game of 'Under the Sea' I spy and see what you can find.

Maths

Cut and stick the fish 1-20 in the correct order.

Key Facts

Read the 'Under the Sea PowerPoint' and write 3 facts that you have learnt.
