

Welcome to Duckling Class

My Self Portrait

This booklet belongs to

St. Andrew's
C.E. Primary School

Welcome to St Andrew's CE Primary School and Nursery.

This booklet is to help support children with the transition to school. Talk to your child about the teachers they will see and what they would like to play with in the classroom. By completing this booklet it also enables us to find out more about your child, which will help us to ensure a happy and secure start.

Please help your child fill in this booklet. There is the opportunity to draw pictures and colour things in. There is also a page for parents or carers to answer, which includes some information about who will collect your child from nursery and any other important information you feel we need to know.

Please complete this booklet over the summer ready for their first day in September.

Thank you
